

The View

SCIENCE EXPO—ALL SCIENCE CLASSES!

This year the science expo will consist of elementary work as well as high school competitions. **Tuesday, February 7—at 7PM** in the elementary school. Parents! Science students should begin working on this as soon as possible!

HOOPS—FOR—HEART

This event supports the American Heart Association. High school will compete against the college (guys: basketball, gals: volleyball) on **Monday, February 6—at the MACC**. Please help support this great cause!

BOX-TOP AND SOUP LABELS—ELEMENTARY

The elementary Box Top Soup Label competition begins **January 30**.

More information will be coming.

HOAGIE MAKING

Please contact the academy office if you are available to help with making hoagies. We still need quite a few hands to help. **Wednesday (Jan 25) THANKS!!!**

CLASS FUNDRAISER:

The Junior Class is still selling Papa's candles. If interested contact one of the class or call the academy office.

The Freshman Class is having a Hoss's night on Monday, January 23. Their class gets a portion of the proceeds. See card included.
