Brandon feels that his parents have been the greatest influence and example in his life. He also appreciates his grandfather because he is very smart yet very humble. He is a true servant and a Godly man.

Royal has provided many humorous moments in the classroom.

Some favorites: Math, Literature, PVCA pizza, softball, Shakespeare, and Dickens.

Favorite saying: give it everything you've got.

He plays the piano and guitar.

The most interesting place he has been was South Dakota or the Dominican Republic.

Some interesting facts: when he was 10 he got a fishhook in his eye. He likes to write stories, listen to music and compose music.

Within the next 10 years he would like to go through college and have a family.

He would like to pursue a career in business, music and be a missionary.

His wise piece of advice:
