STUDENT SPOTLIGHT

Royal Shelly Brantle

Rodney Keister reached out to Royal before he started to go to church and in many ways has been like a father to him.

His wise piece of advice is: Don't neglect to find the balance of fun and work in your life. Too much of either isn't good.

Favorite saying: two paths diverged and chose the path less taken and it made all the difference. R. Frost

Some favorites: PVCA garlic bread, volley ball, Rick Riordon, Philly Zoo.

The only instrument he has ever played is his nose—very loudly!

He wants to be happy and is not sure what career he would like to pursue.

From Peers

Life of the party, great guy, a lot of fun, talks a lot, knows a ton of trivia facts, class clown, likes to borrow pencils—and not return them, funny, brutally honest & goofy, hilarious, likes junk food, late to school

From Teachers

Always gives away current events, can be gentle, caring, sympathizes with those who are having a rough time, smart, funny, intelligent, winsome, knows a lot of Bible, humorous, intuitive, surprisingly logical

I Samuel 17:45

Then said David to the Philistine, Thou comest to me with a sword, and with a spear, and with a shield: but I come to thee in the name of the LORD of hosts, the God of the armies of Israel, whom thou hast defied.
