SENIOR SPOTLIGHT

Darren Wesley McDonald

The greatest influence in Darren’s life has been his father. He has taught him to never give up and to always try my hardest. He also taught me to be a good friend to everybody.

He has played the piano and loves Japanese food. He wants to tour the world—especially South America and become an electrician.

Some favorites: English, PVCA chicken wraps, waffle fries, salad, football, softball, volleyball, Peru. Favorite saying: boots n fur

Darren’s wise piece of advice, “Do your homework”!
