This is an excellent time to find out how your child is doing—not only scholastically but also in their attitudes and actions - and how you can help them!

## From Teachers

One of the hardest workers I know, an artist, blunt with follow-up kindness, a realist of the truest form, a good listener, has great opinions, opinionated, gives opinions before getting facts, diligent, great writer, leader, passionate about life and work, not afraid to be herself, finds life humorous and a challenge to be taken by the job, exuberant, fun, tired, out-going, dramatic.

## Senior Spotlight

Shaniah Lynn Heidler

Shaniah doesn't feel that there has been one specific person that has been the "greatest" influence in her life.

"Woog" was always there to talk to. She always had some wise council and a few wise cracks she was willing to share.

Ethan Hommel has supplied humor in school with his frequent break-downs.

She likes: Math, PVCA chicken fajitas, football, JR Tolkien, and Maine.

Favorite sayings: "You can do it Buffy" and "veni, vidi, vici".

Wise piece of advice: Never think you're too high and mighty for simple fun."

Within the next ten years she would like to get married and have children.

Romans 14:7-8

For none of us liveth to himself, and no man dieth to himself. For whether we live, we live unto the Lord; and whether we die, we die unto the Lord; whether we live therefore, or die, we are the Lords.

## From Peers

**Great debater, very witty, fun to be around, smart, hates drama, has a great voice, funny, artistic, talented, pretty, straight-forward, always singing, sensible & sassy, great sense of humor, great friend, makes me laugh, has endless funny statements, great smile, crazy personality, very loud, opinionated, talkative, random comments, musical, sweet and kind, willing to give input or help-out, acts more serious than she is.**
