## Natalie Brooke Seeley

Natalie appreciates her mom for always encouraging her to do her best. And also: Rainy, Janae, Emily, Britany and Brooke for being great friends. She is thankful for Mrs. Fritz being willing to look over papers and giving tips to improve her writing skills.

Some funny moments: when going around campus in the back of Darren's truck blaring a German Song, when Timmy accidentally threw a bat through the ceiling and when she got chocolate covered strawberries for Valentine's Day from a random guy only to find out she was being pranked by her classmates, Dr. Black and her brother.

Some favorites: Health, KFC Bowl, Pulled Pork, Volleyball.

Favorite saying: There is no elevator to success. You have to take the stairs.

She plays the violin, piano, glockenspiel and guitar.

The most interesting place she has visited was Gatlinburg, TN.

Wise piece of advice: Don't procrastinate, use your time wisely.

Within the next ten years she would like to go to college, get married, have a family, work with the bus ministry or whatever God wants.

She would like to be a piano teacher.

Quiet, Ginger, intelligent, thought spaghetti grew on trees, out of context things, secretly funny, one who constantly does things backwards, says words that bother you to be obnoxious, classy, sweet  
"Can I use your stapler?"

### 1 Corinthians 10:13

There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.
