Student Spotlight

Logan Allen Walter

son of Daniel & Stephanie Walter

Logan is grateful for the good influence of his parents on his life. They taught him right from wrong. He is also thankful for good friends to help him along the way, and Mr. Dustin Durkee for helping him with a Chemistry test.

Fun times are had anytime with the “bots”.

Some favorites: Speech with Miss D (if you know you know), PVCA Chic-fil-A day, softball, Bass Pro Shop on Black Friday.

He loves working on his truck and customizing vehicles with performance parts, etc.

Favorite saying: If it ever feels like God isn't there, remember that a teacher is quiet during a test.

Wise piece of advice: Don't settle for average.

Push yourself to do better. You never know what you are capable of.

Within the next 10 years he would like to build his own shop and build custom trucks, possibly get married.

Favorite verse: Romans 12:19
