## Student Spotlight Emily Jean Hommel

Emily feels that her mom has been a good influence in her life. She is always willing to talk to her when she needs to talk and has given her good advice. Some favorites: Advanced Math, PVCA chicken sandwich, French Fries, volleyball, and Alaska. "It's never to late to start doing what you love". Emily has played the violin, flute and piano. She has over 20 plants in her room, and would possibly like to start a little plant shop. Wise piece of advice: "Be kind, for everyone you meet is fighting a battle you know nothing about." She wants to do whatever God wants her to do, get married and start a family within the next 10 years.

Philippians 4:13  
I can do all things through Christ which  
strengtheneth me.
