

Senior Spotlight  
**Taylor Scott Mason**

Son of Michael & Crystal Mason

Taylor feels that his boss has been a good influence on him. He has shown him how hard work can get you anywhere in life; you just have to put in the effort. Also, he is impressed with his Fire Chief.

He appreciates that a teacher stood up for him in a difficult situation.

Some favorites: PVCA Chik-fil-A day, fishing, hunting, Turkee, Health.

He plays the French Horn and likes to see what a hard boiled egg does when it is put in a microwave.

Saying: Pain is temporary, losing is forever. Wise piece of advice: Your imagination holds the keys to your success, hard work and determination help you accomplish any dream you want to fulfill. Just don't quit and never stop dreaming.

One day he would like to live in Maine. Within the next ten years he would like to get married, start a family, start a business and build his dream home.
