Senior Spotlight

Carson Paul Strong

Carson feels that his mother has been a good influence in his life. She always takes time to answer questions, even when he thinks they are not worth asking.

When he first moved here, Mrs. Black helped him with Math lessons.

Some favorites: Health Class, PVCA chicken sandwiches, ultimate frisbee, Romania, Victor falling off the risers.

Favorite saying: Don't worry about it!

He plays the trumpet and has moved 7 times.

Wise piece of advice: Do what you're supposed to do, be where you're supposed to be.

Within 10 years Carson would like to be on a mission field serving as a Missionary.

Matthew 5:16

***Let your light so shine before men,
that they may see your good works,
and glorify your Father which is in heaven.***
